Valentine Parties At Pahokee School

Children of the Pahokee Elementary School enjoyed valentine parties in their school rooms Friday afternoon, with room mothers, assisted by the teachers, acting as hostesses. Valentines were dropped into large decorated boxes before they were exchanged among the children.

Mrs. Earl Pitts, Mrs. Billy Mitchell and Mrs. C. C. Cruthird were hostesses at the party for the children of Mrs. Kathryn Cunningham's First Grade Room. The valentine box was made by Mrs. E. C. Johnson and refreshments of punch and valentine cookies were served by the hostesses.

Mrs. Robert Hatton and Mrs. Hugo Boe served cookies, orange juice and valentine candy to the pupils of Mrs. Myrtle Brooks' First Grade Room.

Mrs. E. J. Graham, Mrs. Leo Maxwell and Mrs. Meeks were hostesses at the party for Mrs. Sue Shirley's First Grade Room. Mrs. E. C. Johnson made the valentine box. Refreshments of valentine cakes and pink lemonade were served.

At the party for Mrs. Myrtle Johnson's Second Grade Room, Mrs. E. C. Watson furnished and trimmed the valentine box and Mrs. James H. Wilson furnished the refreshments.

Following the exchange of valentines among the children of Mrs. Cleo Douthitt's Third grade Room Mrs. Sam McKinstry, Jr., served the refreshments at the party refreshments.

For pupils of Mrs. C. G. Willis' Third Grade Room were served by Mrs. James Batchelor, Mrs. E. P. Holt and Mrs. Thomas Handley, hostesses.

Mrs. Norman Kennedy and Mrs. James V. Vann were hostesses at the party for the children of Mrs. Clara Maurer's Fourth Grade Room, and at the party for Miss Elizabeth Caraway's Fourth-Grade Room, Mrs. Lester Hand was assisted with the serving of refreshments by Miss Caraway.

Hostesses at the party for Mrs. Sarah Thomas's Fifth Grade group were Mrs. A. E. Culbertson and for Mrs. Charlotte Walston's Fifth Grade group, Mrs. O. S. Lanham served as hostess.

Mrs. Tommie Lee DuBose's Sixth Grade children brought their own refreshments for a picnic lunch and made their own decorated box for their valentines.

The other Sixth Grade group had a decorated box for their valentines but postponed their party until the return of their teacher, Mrs. Elsie Sims, who was unable to be present.

Sunday Is The Day To Hear Singers

The Glades Singing Convention will convene with the Canal Point Methodist congregation at the Community building in Canal Point at 2:30 Sunday afternoon. The Happy Four Quartet of Miami has been invited to present special music during the afternoon. The Uphogrove Trio will also sing.

Mr. and Mrs. Tom S. Kirk, former Pahokee residents now living in Orlando, visited friends here over the weekend.

Judge Larrimore Replaces Thompson

Judge Larrimore was recently appointed justice of the peace for the Pahokee-Canal Point district to take the place made vacant when Frank Thompson, elected in the November election, declined to serve. Judge Larrimore has served the folks in this area for 16 years and his many friends will be happy to know that he decided to take the appointment.

McCurdy-Mitchell Is New Firm Name

The Fertilizer and Insecticide Sales Company, established in 1948 by the late W. W. McCurdy, has been reorganized and is now operating under the name of McCurdy-Mitchell Supply Co., Inc., with Billy G. Mitchell, president; Mrs. Annette McCurdy, vice president, and W. K. Aldridge, secretary-treasurer. The company will continue to operate its business in the old cannery building on Canal Point Road.

NEW STATE TROOPER

Jimmy Knox of Plant City joined the Florida Highway Patrol Feb. 1 and has been assigned to highway patrol duty in the Glades area, with headquarters at the Pahokee FHP District office, according to Cpl. E. D. Dugger.

Power Company Plans Construction

New construction expenditures for the coming year of \$33,000,000 more than \$5,000,000 greater than had been anticipated were approved Monday in Miami by the board of directors of Florida Power & Light Company.

Much of the new program will be devoted to expanding and strengthening the "pool of power" and network of transmission lines that serve fast growing Florida, according to FPL President McGregor Smith.

Included is a cross-state transmission line to connect the East Coast directly with the lower West Coast. This will permit interchange of power between the areas and further bolster the power supply.

Also approved was the purchase of a new 135,000 kilowatt generating plant to be installed in time for the 1955-56 season. It will be by far the largest generator in Florida, will dwarf the three big 80,000 kilowatt units now in service and under construction.

"We see no reason to doubt that Florida will continue to grow even faster than we had anticipated," Smith declared. "Therefore, we are raising our sights to make certain vital electric power will be available for the new homes, industries and expanding business our population growth requires."

In addition to upping the year's construction expenditures by \$5,000,000 over long-range estimates made a year ago, the installation of the 135,000 kilowatt generating unit was pushed up sooner than had been anticipated, tangible evidence of the company's confidence in continued rapid growth of the area.

Glades Bands Will Play At Delay

Pahokee High School Band and Belle Glade High School Band will appear in the mammoth opening night parade of the seventh annual South Florida Gladioli Festival in Delray next Monday night, February 23.

The mammoth opening night parade will be held Monday at 7 p. m. in Delray with hosts of gaily-decorated floats, bands, marching and twirling units taking part. Festival grounds open immediately after the parade and at 10 a. m. each day, Tuesday through Saturday.

Occupying the spotlight of honor will be hundreds of varieties of the colorful South Florida gladioli including leading commercial varieties as well as exciting new experimental varieties. Prize South Florida livestock will be on display with more than 60 head of champion exhibits including Santa Gertrudis, Brahmans, and Herefords.

FFA Sweetheart To Be Crowned Feb. 27

A contest to name the 1953 Sweetheart of the Pahokee Chapter, Future Farmers of America, has been launched by the chapter, with Eugene Buchanan, chapter president, Tommy Elliott and Wayne Burdeshaw on the committee in charge of arrangements.

The five upper grades at Pahokee High School are sponsoring candidates in the race for the honorary title as follows: Pat Kumer, twelfth grade; Patty Izzi, eleventh grade; Judy Starling, tenth grade; Norma Gant, ninth grade; Lory Ann Rockwell, eighth grade.

The 1953 FFA Sweetheart, to be chosen by popular vote at a penny a vote, will be crowned queen of the dance at the annual FFA Sweetheart dance party to be held in the County Park community building in Canal Point Friday night, Feb. 27. Proceeds from the contest will go towards the financing of the dance party which will be free for all Pahokee High School students.

Bootleggers Learn Of McCarty's Ways

ORLANDO — Organized bootlegging and illegal liquor operators got a taste of the kind of law enforcement they can expect under Dan McCarty's administration. In a coordinated tri-county drive last week and, 60 law enforcement officers representing state, county, city and federal agencies made 27 arrests in three counties, — Orange, Seminole and Osceola.

Violations involved the sale of taxed liquor without a license, sale of moonshine and gambling. Similar raids were conducted in Hillsborough County earlier in the week and Governor McCarty said they were an indication of the approach that would be used in future operations in the state during the next four years. Sam Davis, head of the State Beverage Department, has pledged an all-out war against violations of the state liquor laws which have been costing the state thousands of dollars in revenue loss.

Wildlife Group Will Meet Tonite

The newly organized Junior Wildlife Club will meet in the Pahokee Lions Hall this Friday night at 7:30 to continue its discussion of a clubhouse and a local fish hatchery. The club meets twice a month on the first and third Friday nights. Boys from 8 to 18 years old are eligible to join and will be welcomed into the club, according to Edwin Wagon, president.

Will Plant Palms On Levee Approach

Permission to plant coconut palms on the approaches to the Lake Okeechobee levee-in the Pahokee-Canal Point area has been given to the Pahokee-Canal Point Garden Club by the U. S. Army Engineers, according to an announcement made at a meeting of the club's executive board at the home of the president, Mrs. Frank Friend.

Club members who planned to take part in the club-sponsored tour of McKee's Jungle Gardens near Vero Beach on Feb. 18 were asked to be at the County Park in Canal Point at 9:30 on the morning of Feb. 18 and leave for Vero Beach as a group. Mrs. J. H. Lynn, a former member of the club now living in Vero Beach, was to be luncheon hostess to the group.

Plans were made for the Hibiscus, Ixora and Poinsettia Circles to combine for the remainder of the spring season, the three circles to conduct their combined meeting for February at the home of Mrs. H. M. McIntosh on Bacon Point Road, with Mrs. G. C. McLarty, co-hostess.

Station Staff In Lions Club Talks

Dr. Victor Green, Dr. Warren N. Storer and Dr. R. J. Allen, Jr., all members of the staff at the Everglades Experiment Station, were guest speakers at the Tuesday luncheon meeting of the Pahokee Lions Club.

Introduced by Curtis Chase, program chairman, they gave talks on "Field Crops for the Everglades", in which they told of the work being done at the Everglades Experiment Station to find new, profitable crops for Glades growers and to improve on varieties now being successfully grown.

It was reported the club netted approximately \$140 from the show of magic which it sponsored in the school auditorium the night of Feb. 16, proceeds going toward the purchase of the new walk-in refrigerator recently installed at the Everglades Memorial Hospital.

HURT IN WRECK

Indalecio Cruz of Belle Glade is receiving treatment at the Everglades Memorial Hospital for serious injuries received in a car accident on SR 15 Sunday night. Cruz, driving north in a 1952 Ford, lost control of the car which turned over three or four times, according to Cpl. E. D. Dugger of the Florida Highway Patrol who investigated the accident, together with State Trooper Jimmy Knox. The car was a total wreck, they said.

Donkey Ball Game Splendid Success

The donkey base ball game sponsored in Canal Point Tuesday night by the local Lions club was a big success. The club cleared \$115.15 to aid in carrying on its civic projects. Mrs. J. H. Miller won the \$65 wrist watch given as a special prize by the Canal Point Pharmacy.

A team of youngsters from the locally based Air Force and another team from the membership of the Lions club made up the opposing groups seeking honors on the diamond. The final score was 7 to 7. Limitation of time and the fact that several of the donkeys were exhausted carrying the heavy weights around the field, was cause for quitting with the score at that critical stage.

The Canal Point PTA group sold pies, cakes and drinks at a special erected booth and reports an excellent business. Sonny Hooks, Elaine Weeks and Howard Pugh were rewarded with cash for selling the most tickets. Sonny won first prize of \$5 for selling 160 tickets; Elaine won \$5 for selling 140 and Howard came in third and won \$2.00.

Columns could be written about the individual players and their knack of staying on or off the backs of the trained donkeys, but the sports editor is fearful that he might overlook one of the stars and thus show partiality in reporting. Each and every player was an individual star. Not being able to give each one a special write-up we are leaving unreported their antics. One local druggist spent more time picking himself up off the ground than he did on the back of the donkey he was supposed to ride. All in all it was a splendid evening of entertainment.

Blue Devils Win From Seahawks

After defeating the Okeechobee Brahmans on the Canal Point court Friday night and losing, to the Lake Worth Trojans at Lake Worth Saturday night, the Pahokee Blue Devil Cagers came back to chalk up their fourth victory of the season at the expense of the Seacrest Seahawks, 55-49, in the local high school gym Tuesday night.

With the Blue Devils trailing 23-28 at the half, Guard Danny Mullis led the rally that pushed them ahead 41-38 at the end of the third period and carried them on to victory. Mullis connected with five field goals and eight free throws for 18 points to lead the scoring for both teams. Guard Caranante was runner-up in individual scoring with 12 points and Center Benny Sims 11 points was third high scorer.

Coach Bill Howard's Blue Devils, nearing the end of their schedule will travel to Vero Beach this Friday night for a game with the Vero Beach Indians who are tied with Lake Worth for the Suncoast Conference lead.

Cinematic Chatter

By Malcolm Millar

"Hello everybody! A good physique is seemingly as important as acting talent in today's requirements for young movie actors in the opinion of popular Rock Hudson. "Today's audiences seem to prefer action films," Hudson point out. "The action picture requires an actor to throw his weight around and soak up a lot of punishment. If a fellow isn't rugged he finds the going pretty tough." Hudson, who stands 6 feet, 4 inches and weighs 200 pounds went through a period of toughening up in the Navy during the war and at odd jobs in Hollywood before getting his first movie break. "Every time I make an action picture I feel grateful for the preparatory grind I had before I started acting," He continues. "I didn't realize that I was building for the future when I drove trucks, worked as a farm laborer and hauled 300-pound cases of ice around while I studied drama in Hollywood. The day of the drawing room dilly-dallier, the lounge lizard and teacup balancer is over," Rock concludes. "An actor must expect to get his 'lumps' in every picture." Rock is one of the popular young actors in Hollywood who came up the hard way. He started as an extra and gradually worked his way to a "featured player," and from there to stardom. See you at the movies—Mal.

GUEST SPEAKER

Best way to control wireworm on corn, sugar cane and sweet potatoes

aldrin

Aldrin—approved by agricultural authorities for control of certain soil pests—has established a fine record for wireworm control on sugar cane, corn and sweet potatoes.

Easy-to-use aldrin can be applied to soil in two ways:

1. Apply aldrin directly on the ground, as dust or spray, and harrow it in when preparing seed beds.
2. Have your supplier mix aldrin with your fertilizer and apply with conventional row treatment.

Using either method aldrin is applied in small amounts . . . it's economical. Aldrin gets other insects at the same time. It controls rootworm and other pests . . . is now approved for controlling wireworm on sweet potatoes.

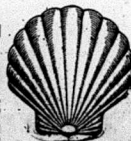

Make your next crop a profitable one, free of wireworm and other destructive insects . . . use aldrin before planting. Your dealer will be glad to give additional information.

Defense is your job, too!

THIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over, the nightmare of war is behind them. These boys have been far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U. S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, *strength is America's surest guarantee of peace.*

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

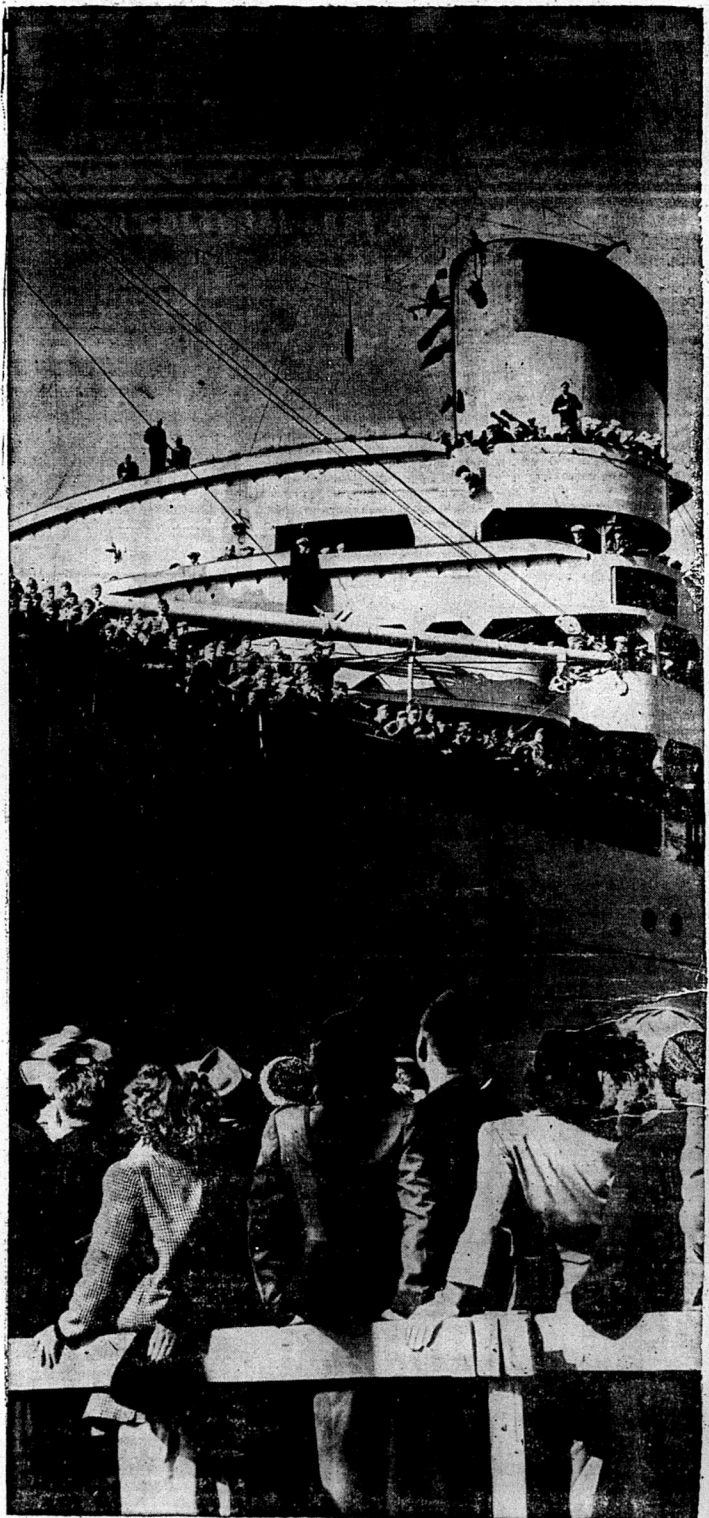

The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now every *Series E Bond* you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

Angry Waters Claim Airline Passengers

TAMPA—Angry waters of the Gulf, after claiming the lives of passengers and crew of a National Airlines plane late Saturday afternoon, swept on to cause thousands of dollars damage to west coast beaches in the vicinity of St. Petersburg. A tidal wave struck Indian Rocks and Madeira beaches, tearing up groins and seawalls, flooding highways and inundating beach front homes and apartments.

The Coast Guard, fighting waves 20 feet high, recovered 17 bodies from the wreckage of the DC-6

that went down in the storm 60 miles southeast of Mobile and continued to search for possible survivors among the 46 who were aboard the ill-fated ship.

This means more money to you!

**NOW YOUR U. S. SERIES E BONDS CAN EARN INTEREST
10 EXTRA YEARS**

ALL YOU WISE and patriotic people who bought United States Series E Bonds ten years ago and have held them can benefit by this new law! For according to this law the bonds you expected to mature finally in 1952 can now continue to earn interest every year for ten more years—till 1962—without your even lifting a finger!

To get this extra money, there's absolutely nothing you have to do. Just hold your bonds and let them go on earning!

If you wish, you may still cash any Series E Bond at any time after you've owned it for sixty days. But you'll be better off to hold your bonds, just as you're better off to hold savings in any form.

First of all, as long as you don't cash your bonds, you don't have to pay income tax on the interest they earn. In the second place, cash in the pocket melts away fast—often with little or nothing to show for it. But cash in bond savings is always there—growing steadily toward the big sum which can buy something really worthwhile . . . And remember—the interest rate on Series E Bonds has been increased to 3% compounded semi-annually, when held to maturity.

So if you have bonds coming due, why not take advantage of your extra-income opportunity? Just sit back and let them go on mak-

ing more money for you. And meanwhile keep adding to your cash savings by buying more U. S. Defense Bonds regularly—through the Payroll Savings Plan where you work. It's the easy, systematic saving plan that's so helpful because it lets you save *before* you even draw your pay. Thousands on the Plan say it's the one sure way to save.

3 NEW MONEY-MAKING OPPORTUNITIES FOR YOU!

*New Series H, J, and K
Defense Bonds pay 2.76% to 3%!*

If you want to get the interest on your bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at any Federal Reserve Bank or Branch about these new bonds:

SERIES H. A new current income bond, available in denominations of \$500 to \$10,000. Sold at par. Matures in 9 years 8 months and pays approximately 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 maturity value. Issued only by Federal Reserve Banks and Branches and at the Treasury.

SERIES J. A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.76% compounded semiannually if held to maturity. Annual limit, \$200,000 issue price jointly with Series K Bonds.

SERIES K. A new 12-year current-income bond in denominations of \$500 to \$100,000. Pays interest semi-annually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$200,000 issue price jointly with Series J Bonds.

"MIND" is the subject of the Lesson-Sermon for all Churches of Christ, Scientist next Sunday. Emphasis is placed on the healing of sin and disease and the more expansive outlook resulting from the understanding that God is Mind. Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The basis of all health, sinlessness, and immortality is the great fact that God is the only Mind; and this Mind must be not merely believed, but is must be understood" (p. 339).

Bible references include this correlative citation: "Thou wilt keep him in perfect peace, whose mind is stayed on thee; because he trusteth in thee" (Isaiah 26:3).

The Golden Text is "Great is our Lord, and of great power: his understanding is infinite" (Psalms 147:5).

Fellowship Party At Methodist Church

Mrs. G. W. Byrd, Sr., and Mrs. Arch Blakey, group leaders of the membership activities program at the Pahokee First Methodist Church, will be hostesses at a fellowship party in the social hall of the church this Friday night, Feb. 20, with church members and friends living in the areas where they are serving as leaders to attend as guests.

This new program of entertainment is being instituted at the church under the direction of the membership and evangelism committee headed by the pastor, Dr. Rembert A. Guy. The first fellowship party will be followed by other social gatherings with other group leaders acting as hosts. A total of 14 socials are being planned before the start of the annual spring revival at the church.

It has recently been stated that, through the services of Florida Citrus Mutual, the Florida citrus grower is the best informed farmer in America today.

Early in 1954 operation is expected for production of the \$12-410,000 plant which will produce triple superphosphate at the rate of 200,000 tons a year.

Five Circles Meet And Plan Program

The five circles of the Pahokee First Methodist Woman's Society of Christian Service met separately at homes of members Monday and at each meeting plans were made to attend the World Day of Prayer observance program in the Pahokee High School auditorium Friday, Feb. 20, at 2:20 p. m.

The Gertrude Shirley Circle met at the home of Mrs. L. L. Shirley with Mrs. R. F. Hurt assisting as co-hostess and Mrs. R. B. Simonson presiding in the absence of the chairman, Mrs. Hugh Branch. It was announced the Gertrude Shirley group will present the program at the next general meetings of the WSCS at 3:30 p. m., Mar. 2, and will form the greeting committee and be in charge of the flowers at the church for the month of March. Mrs. Simonson introduced her mother-in-law, Mrs. Agnes Simonson of Indiana, who gave a review of the book, "Winds for the Crown Prince." The devotionals were presented by Mrs. Louis Davis. It was announced the circle's March meeting will be at the home of Mrs. Simonson with Mrs. Arthur Larrimore, co-hostess.

The Mary Martha Circle at a meeting at the home of Mrs. H. T. Williams voted to assume as a home mission project the purchase of new drapes and a rug for the

parsonage. Mrs. Robert J. Schroder presented the program, "Meet the Master, Mr. Jones," and Mrs. Jess M. Elliott gave the devotionals.

Mrs. A. D. Beverly was hostess to members of the Miriam Circle at a meeting at her home, with Mrs. John T. Pickett assisting as co-hostess. Mrs. Clyde A. Canipe showed a film, Mrs. Nina Moon of Atlanta, Ga., was introduced as a visitor. Refreshments of cake and coffee were served by the hostess.

The Margery Lair Circle met at the home of the chairman, Mrs. J. R. York, with Mrs. York presiding. Mrs. Emma Wheeler gave a talk on "The Passion Play" which she attended recently in Lake Wales and was in charge of the devotional program.

At the meeting of the Mabel Simonson Circle at the home of Mrs. Arch Blakey a report was given by Mrs. Blakey on the Christian social relations seminar which she and Mrs. Rembert A. Guy attended in Fort Lauderdale last week. Mrs. Blakey also was in charge of the devotionals and gave reading of Norman Vincent Peale's "Draw on the Higher Power." Mrs. C. M. Todd, program chairman, gave a talk on "Daniel" and joined Mrs. Robert C. Hutton in the playing of "Whispering Hope," an accordion duet.

Dr. and Mrs. E. W. Brandes have as a guest this week Miss Helen Halbrook of Chevy Chase, Md.

The million dollar Ponce de Leon Raceway, the first parimutuel harness track in Florida and the first winter parimutuel track east of the Mississippi, will be open for racing enthusiasts at the end of February.

The sting-ray, a large, flat, bottom-living fish exhibited at Marine Studios, has near the base of its whip-like tail a poisonous barbed spine which is capable of causing a serious and occasionally fatal wound.

Florida tourists and visitors will add much to the pleasure of their visit if they will secure a copy of "Complete Guide to Florida." A 120-page book, it tells where to go, what to see, how to get there and where to stay.

It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

Mr. and Mrs. William H. Jernigan who were married in Sebring on February 2, are now at their home in Gainesville, Fla., where they are students in the University of Florida.

Gardenia Circle Is Guest Of Mrs. Brandes

Members of the Gardenia Garden Circle of Canal Point were guests of Mrs. E. W. Brandes at her home in Palm Beach Tuesday when they conducted their February meeting, with Mrs. Joseph Rosenberg, president, presiding.

Mrs. J. H. Bordeaux, program chairman, introduced Miss Ann Brandes who spoke on "Insects, Friendly and Otherwise" and "The Growing of Gardenias, Camellias and Azalias."

Introduced as visitors were Miss Helen Halbrook of Chevy Chase, Md., Mrs. W. E. Lehman of Lexington, Ky., and Mrs. A. R. Jenkinson of North Andover, Mass.

Mrs. J. R. York Talks To Pahokee BPWC

Mrs. J. R. York, assistant principal at Pahokee High School, gave a talk on "International Affairs" at a social meeting of the Pahokee Business and Professional Woman's Club at the home of Mrs. Mildred Lavender Tuesday night. Miss Lucille Williams was in charge of the program and Mrs. Elsie Sims, president, presided.

The group completed plans for the baking exhibit and spaghetti supper it is sponsoring in the school cafeteria Saturday evening, Feb. 21. The baking exhibit will open at 4 p. m. and three cash prizes will be awarded for the best baked foods on display. The serving of the spaghetti supper will start at 5:30. Proceeds will go toward the purchase of the walk-in refrigerator recently installed at the Everglades Memorial Hospital.

Mrs. Ethel Johnson, Mrs. E. A. Early and Mrs. Lavender acted as hostesses during the serving of refreshments at the conclusion of the meeting.

Benefit Scheduled Sunday Afternoon

The Upthegrove Quartet of the Glades area will present a benefit concert of gospel songs in the County Park community building at Canal Point Tuesday, Feb. 24, at 8 p. m.

There will be no admission charge but a goodwill offering will be taken and there will be refreshments for sale. All proceeds will go to Mrs. Percy Teeters, former Canal Point resident now living in Greenacres City, who is seriously ill.

The Upthegrove Quartet, famed for its gospel singing, is composed of Osceola Upthegrove of Canal Point, Elmer (Babs) Upthegrove of Pahokee, Paul Brackin of Belle Glade and Billy Mathis of Lake Harbor. M. M. Martin, Jr., of Canal Point is the piano accompanist.

Mr. and Mrs. Dennis L. Friend of Charleston S. C., arrived yesterday to spend some time as the guest of Mr. and Mrs. Lloyd Hundley while they visit Mr. Friend's mother, Mrs. A. I. Friend, who is a patient in the Pahokee hospital.

Tom Moore, Radio Star, To Go To Rodeo

KISSIMMEE—Tom Moore, radio emcee, whose national hookup radio program "Ladies Fair" is broadcast daily from the Florida Citrus Exposition in Winter Haven, will be guest of honor at the third annual Silver Spurs Midwinter Rodeo in Kissimmee, Feb. 22, it was announced by Fay Paul, secretary of the Kissimmee Chamber of Commerce.

Invitations have also been sent to Esther Williams who is now making a movie at Cypress Gardens.

Circles Join For Spring Meetings

The Hibiscus Garden Circle at a meeting at the home of Mrs. H. M. McIntosh Tuesday, with Mrs. G. C. McLarty, co-hostess, was joined by members of the Ikora and Poinsettia Circles, the three circles to meet together each month for the remainder of the season.

Final plans were made for the tour by circle members of McKee's Jungle Gardens near Vero Beach. It was voted to establish a bed for rooting cuttings of various types of ornamental shrubbery at the rear of the Pioneer Park development.

Mrs. Don Hillier, president, named Mrs. H. J. Clause, Mrs. O. B. McClure and Mrs. E. F. McIlwain on a committee to nominate new officers and report its recommendations at the March meeting. Announcements were made of the State Flower Show in Fort Lauderdale, Mar. 12-14; the Lake Worth Flower Show, Feb. 28-Mar. 1; the Orchid Show in Miami Feb. 20-23 and the annual convention

of the State Federation of Garden Clubs in Miami, April 8-10.

The group voted to drop from the membership roll all members who have not paid their annual dues before or at the next meeting.

Mrs. W. A. Keen, program chairman, introduced Mrs. Homer Clause who gave a talk on "Azaleas" and Mrs. McIntosh who spoke on "Camellias."

WORLD DAY PRAYER
